Instructions:

- Read the short story provided.
- Identify and underline all the pronouns used in the story.
- Create your own short story (about 5-7 sentences) and highlight the pronouns used in it.
- Have fun and be creative!

Short Story

"The Magical Forest"

Once upon a time, there was a young girl named Lily. She loved to explore the forest near her home. One day, while wandering through the woods, she stumbled upon a hidden cave. Inside, she found a mysterious book. As she flipped through its pages, she discovered it was a guide to a magical world. Lily couldn't believe her luck! She decided to embark on an adventure to this enchanted realm. Along the way, she met a friendly unicorn who offered to be her guide. Together, they journeyed through the magical forest, encountering all sorts of creatures. Eventually, they reached the heart of the forest, where a powerful sorcerer awaited them. With courage and determination, Lily and her unicorn friend faced the sorcerer and saved the magical world from darkness.
